

Nonprofit Membership Sponsorship Guide

Support those who work with our local nonprofits each day to improve the place we call home, while gaining exposure, connections and resources that position your company as a supporter of social good. Simultaneously, your business will gain visibility as socially responsible and connect to one of the region's largest nonprofit and philanthropic networks in Orange County.

Nearly 300 local nonprofits benefit from the knowledge and resources provided by membership with OneOC. OneOC's nonprofit members receive a suite of bundled services to enhance and build their organizational capacity. A sponsor of OneOC's membership program directly supports our work to help nonprofits become as effective and efficient as they are passionate about their mission. Here is a sample of what one of our members had to say:

Grandma's House of Hope

"From the very beginning of my dream to start Grandma's House of Hope, I have looked to OneOC for guidance and support. Every step of the way, OneOC has provided expert trainings for leadership, board engagement, strategic planning, grant writing and more..."
